## Nationwide Depost Trends (2010 - 2016)

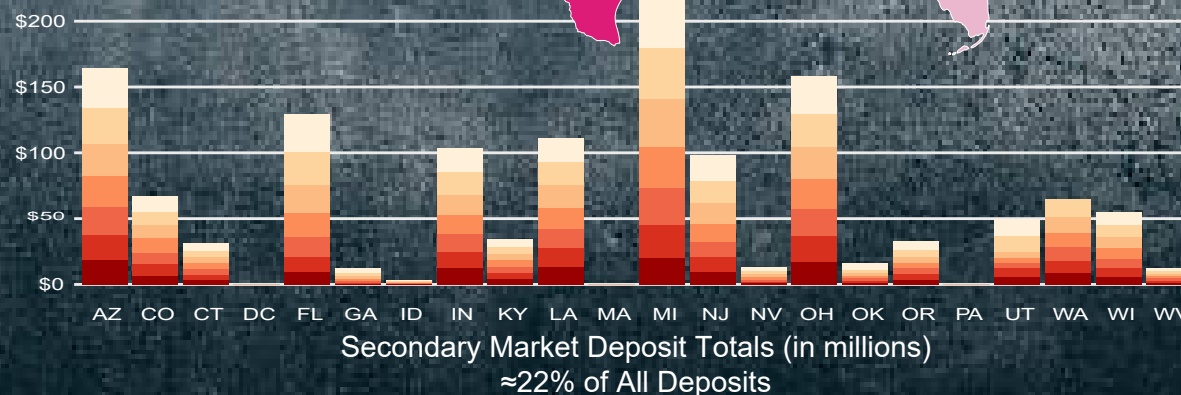

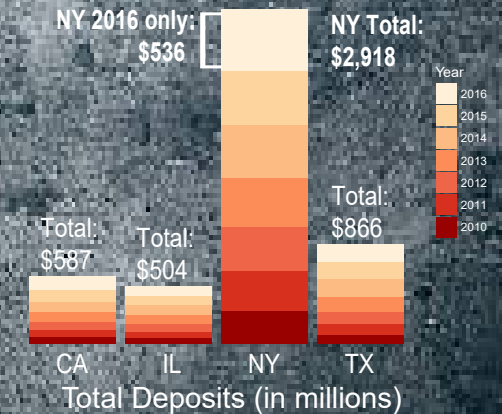

California's growth  
outpaces older  
markets...

Total Deposits (in millions)\*  
0 \$100 \$200 \$300 \$400 \$500+

...but New York still  
leads nationwide

\* The Chase Main Office deposits were filtered from this data under the assumption that \$6.3B is uncharacteristic of regular branch activities.
